 1. Tally scores (vertically) from 0 to 5; 2. Follow instructions on next page.						

The next page shows your score and what it means.

Add up the vertical totals that you scored on the previous page, and record that number here:

This Is Your Evangelism Temperature

Here's What Your Score Means:

80-100: SUPER-HOT. You are on fire sharing the gospel. Fewer than 1% of Christians score here.

60-79: WARM. You are faithful in sharing the gospel, but there are some areas where you could do better. Fewer than 5% of Christians are at this level or higher.

40-59: LUKEWARM. Your temperature is not consistent regarding sharing the gospel. You need to seek some prayerful changes. Still, fewer than 20% of Christians are at this level or higher.

20-39: COOL. Your temperature indicates you are disobedient to the Great Commission most of the time. 80% of Christians are either cool or cold.

Below 20: COLD. Your temperature indicates you are disobedient to the Great Commission all of the time. 80% of Christians are either cool or cold.

Thom S. Rainer is the founder and CEO of Church Answers, a popular speaker, and a bestselling author.

Thom Rainer explores what makes so many Christians hesitant to talk about the greatest news the world has ever heard. There are real obstacles, challenges, and fears, but God is bigger and stronger than these hurdles. His compassion extends to all who wander, and He wants to show them His love through the lives of His people.
