

BELIEVE IN MIRACLES

Jesus . . . said, "Humanly speaking, it is impossible. But with God everything is possible."

–Matthew 19:26

When you hear the word *miracle*, what is the first image that springs to mind?

God parting the Red Sea for Moses and the Israelites?

Jesus walking on water?

Lazarus being raised from the dead?

Jesus feeding five thousand people with just two fish and five loaves of bread?

Those were some pretty fantastic miracles. But God's miracles are still happening every day, all around us. His miraculous gifts can be big and amazing, but they can also come in small, quiet packages.

A miracle could be

a change of heart,
forgiveness between friends,
the strength to overcome a lifelong fear,
repentance for hurting a classmate's feelings, or
a yearning heart asking for salvation.

Yes, with God, everything is possible!

Let's notice God's miracles today, both big and small.

WITH GOD
EVERYTHING
IS POSSIBLE.
